

## **YARN INDUSTRY'S SHARE IN GENERAL EXPORTS**

### **TEXTILE AND RAW MATERIALS INDUSTRY EXPORT PERFORMANCE**

Turkey's textile and raw materials exports were 691,250,066 USD in the month of April.

In April 2016, AB28 exports increased by 9.3% to 473,179,000 USD.

In the sub-goods group, the majority of exports were woven fabric products with 436,836,000 USD. Yarn products came second with 102.1 million USD and fibers came third with 38.8 million USD.

Textile and raw materials share of exports in Turkey's general export became 6%.
